SR5 – for your Toyota

» Open your preferred configuration now online at: mysortimo.de/en/config-ID

Thanks to its unique concept, SR5 maximises your use of your load compartment. Thanks to its shelves with great visibility, SR5 provides the best possible overview in your vehicle, giving you fast access to all your tools and equipment, and saving you time searching for them. SR5 guarantees maximum productivity in conjunction with services, including *mySortimo* labels or *mySortimo* inlay. **Now also available directly online.**

mySortimo services

» Complete your vehicle – in one go!

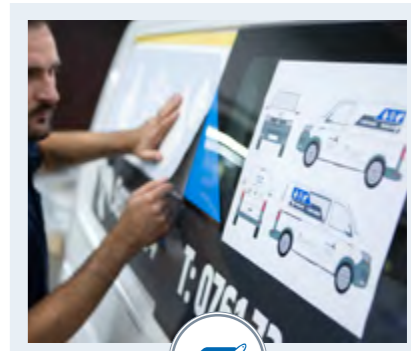

Shelf labelling
mySortimo labels

Time-consuming searching in your vehicle or at the workplace appears unprofessional and costs time – time that you could be using more profitably. Increase your productivity through the use of labelled shelves, BOXXes and drawers: Open up the SR5 planning in the configurator and immediately create your labels online. We'll deliver a fully labelled and fitted-out vehicle or send the printed clips at a later date.
mysortimo.de/en/labels

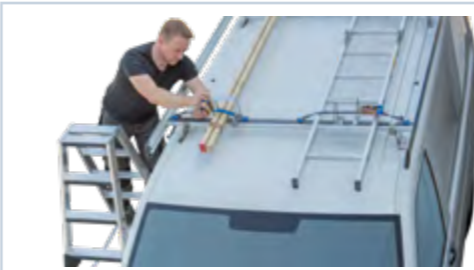

Configurable foam inlay
mySortimo inlay

Do you like your drawers, BOXXes and cases to be tidy and clearly arranged?
Or are you transporting sensitive equipment and tools that you wish to protect? Then create a foam inlay for your BOXXes, cases or drawers using the *mySortimo* inlay configurator. Simply photograph your tools, design the inlay to meet your needs and order it at
mysortimo.de/en/inlay

Vehicle decals
mySortimo graphics

Is everything sorted in your vehicle? Then you only need an effective external advertising image. Order your decals along with your van racking system. Talk to our sales consultants or try it out yourself in our Decal Configurator: Select the design template, upload your logo, enter your contact details and with minimal effort you've designed your personalised decal that we can fit at the same time as installing your van racking system.
